

FIGI & SLOT ZEIST

The power of combination

**TOERISME
UTRECHT**

Hotel Theatre Figi & Slot Zeist (castle) are centrally located on the Utrecht Heuvelrug (ridge) and in the woody municipality of Zeist. These two inspiring locations with their rich history and various options are open to visitors.

Figi & Slot Zeist offer a wide selection of cultural, culinary, congress and overnight accommodation facilities. The Rond has a theatre and cinema, a hotel, restaurants and 21 meeting and congress halls, each with their very own style. Halls can be combined and have all of the required modern technical facilities and three theatre halls with 3D. The 17th-century Slot Zeist receives guests in a royal ambiance of crystal chandeliers, silk curtains and gold leather wall lining and 16 meeting and congress halls. The 20th-century four-star hotel Figi has a long tradition of hospitality and the 97 spacious hotel rooms ensure a comfortable stay. Figi's association with 'Worldhotels' (Unique Hotels for Unique People) fits in with the singular character and perfect service and facilities.

Surprisingly versatile

Figi & Slot Zeist, just five minutes on foot from each other, are both together and individually extremely suitable for combined activities and large-scale events as well as for smaller parties. In short: 'Surprisingly Versatile'.

The special combination of Figi & Slot Zeist has a sustainable character. For more than ten years, organic Fair Trade coffee, teas and various wines with the Max Havelaar/Fairtrade trademark are served. These organic products are purchased at fair prices and under international terms of trade at farmers' organisations/plantations in developing countries. They are also among the leaders in MSC certification. The globally functioning Marine Stewardship Council (MSC) guarantees that the fish on the sustainable menu comes from well-maintained fish populations. Figi & Slot Zeist also own the Golden Green Key; an international trademark that shows that Figi & Slot Zeist is seriously and verifiably involved in sustainability and corporate responsibility with care for the environment in the company and the countryside in the surrounding area.
